

Terms and Conditions of Sale

1. TERMS AND CONDITIONS OF SALE. The seller is a member of a group of companies and accordingly, the seller may perform any of its obligations or exercise any of its rights hereunder, by itself or through any other member of its group. The following terms and conditions (these "Terms and Conditions") shall govern all sales of products ("Products") by the Incora entity or affiliate performing the Order, as hereinafter defined ("Incora") and shall be applicable to, and deemed incorporated into, any quotation, sales order, customer purchase order, product release, product purchase and sale agreement, or similar document (each, an "Order"), whether or not expressly incorporated into such document, between Incora and a buyer of such products (a "Buyer"), each a "Party", and together, "Parties". These Terms and Conditions shall govern the Order and prevail over any Buyer terms and conditions, whether included in Buyer's Purchase Order or not, and any other similar document; furthermore, any such Buyer's terms and conditions shall be without legal effect and hereby expressly rejected. Fulfillment of Buyer's Order does not constitute acceptance of any of Buyer's terms and conditions and does not serve to modify or amend these Terms and Conditions. No Order submitted by the Buyer shall be deemed to be accepted by Incora unless and until confirmed in writing by Incora's authorized representative. Incora's engagement in this Order is expressly limited to, and expressly made conditional on, Buyer's acceptance of these Terms and Conditions. Buyer's acceptance of the Products shall be deemed an acceptance of these Terms and Conditions and shall supersede, nullify and void any other terms, conditions, representations, understandings, in oral or written form. Incora objects to any different or additional terms.

2. BASIS OF THE SALE.

(a) Any advice or recommendation given by Incora or its employees or agents to Buyer or its employees or agents as to the storage, application or use of the Products which is not confirmed in writing by Incora is followed or acted upon entirely at Buyer's own risk, and accordingly Incora shall not be liable for any such advice or recommendation which is not so confirmed. Any typographical, clerical or other error or omission in any sales literature, quotation, price list, acceptance of offer, invoice or other document or information issued by Incora shall be subject to correction without any liability on the part of Incora.

(b) Quotations shall be valid for a period of thirty (30) days unless otherwise stated. Incora may withdraw the quotation by written notice at any time until the quotation lapses. The quotation is only valid for current Incora stock which cannot be reserved until an Order is issued by Buyer and confirmed in writing by Incora's authorized representative. Incora reserves the right to revalidate pricing if there are any changes in supplier price between the time Incora submitted the quote and the time Incora places the orders with its suppliers after receipt of the Buyer Order. Incora will notify the Buyer of any price adjustments as soon as reasonably practicable, and the Buyer may accept the new price or cancel the Order.

(c) When Buyer places an Order for Products that includes multiple delivery dates ("Delivery Dates") and is acknowledged by Incora, Incora reserves its right to reprice the Products and confirm availability of Products, until each respective Delivery

Date if the manufacturer cost increases between the date of the Order and each Delivery Date of such Product(s). Incora shall notify the Buyer of any such price adjustment as soon as reasonably practicable.

3. ORDERS AND SPECIFICATIONS.

(a) If any process is to be applied to the Products by Incora in accordance with a specification submitted by Buyer, the Buyer shall indemnify Incora against all loss, damages, costs and expenses awarded against or incurred by Incora in connection with or paid or agreed to be paid by Incora in settlement of any claim for infringement of any patent, copyright, design, trademark or other industrial or intellectual property rights of any other person which results from Incora's use of Buyer's specification.

(b) Incora reserves the right to re-quote if Buyer's Order stipulates any special conditions, specifications, approvals, certificates, test reports, or other significant changes that were not requested at the time of the original or most recent quotation.

(c) The quantity, quality and description of and any specification for the Products shall be those set out in Incora's quotation (if accepted by Buyer) and the Buyer's order (if accepted by Incora).

(d) Minimum Order Quantities ("MOQs"), in addition to MOQs agreed in any Long-Term Agreement ("LTA") between the Parties, may be notified to the Buyer and shall become a part of the Terms and Conditions.

(e) In the event Incora is supplying chemical and/or consumable Products ("Chemical Products"), Incora guarantees to supply shelf-life product with at least thirty percent (30%) life remaining for such Chemical Products. Buyers requiring higher percentages must do so by agreement with Incora's relevant Sales Manager. Incora will not guarantee shelf life over seventy percent (70%) for Chemical Products with a total life of one (1) year or less.

(f) Incora will supply finished Products that have not been subjected to conditions of extreme heat, stress or environment that would be detrimental to such Products.

(g) All paperwork supplied with a delivery, including the certificate of conformance, are the original documents or true copies as supplied to Incora.

4. SHIPMENT AND DELIVERY.

(a) Products shall be delivered FCA Incora's premises (Incoterms 2020) ("Delivery Term"), unless other shipping terms are mutually agreed between the Parties.

(b) Incora may, at its option, deliver in installments to meet Buyer's requirements.

(c) Premium freight charges and/or expedite fees, if any, shall be paid by Buyer. However, Incora shall be responsible for such fees if they are not incurred at Buyer's request or caused by Excusable Delays or Force Majeure as defined below.

Terms and Conditions of Sale

(d) Where Incora accepts responsibility for the delivery of Chemical Products, Incora will price delivery charges primarily based on weight and/or chemical hazard category. Specific rates are applicable to items supplied in drums or consolidated on pallets. Incora reserves the right to charge for such drums and pallet supplies retrospectively.

(e) Title to and all risk of loss or damage to the Products shall transfer to Buyer in accordance with the applicable Delivery Term detailed in Section 4(a) above.

(f) A variance in the quantity of Products which is based on a weight count is deemed to be conforming and accepted if the count does not exceed +/- five percent (5%) of the ordered quantity. The sole remedy for any variance in the Product quantity shall be a credit applied to the Buyer's account for the amount of such variance.

(g) Incora may deliver up to fourteen (14) days in advance of the scheduled delivery date ("Delivery Window"). Buyer agrees that Buyer will not reject any deliveries made within the Delivery Window for the reason that the delivery was made prior to the scheduled delivery date.

(h) In no event shall Incora be responsible for any excess procurement costs.

(i) In no event will Incora be responsible for late delivery as a result of delays caused by any price adjustment discussions and process as stipulated in these Terms and Conditions.

5. ACCEPTANCE. Products with shelf-life limitations must be accepted by Buyer forty-eight (48) hours after the date of delivery to Buyer pursuant to Section 4(a) above, unless a written notice of non-conformance or defect is received by Incora and such written evidence or other documentation as required by Incora prior to the expiration of such forty-eight (48) hour period. All other Products ordered from Incora shall be promptly inspected by Buyer and shall be deemed accepted by Buyer thirty (30) days after the date of delivery to Buyer pursuant to Section 4(a) above, unless a written notice of non-conformance or defect is received by Incora and such written evidence or other documentation as required by Incora prior to the expiration of such thirty (30) day period. The Parties agree that damage to a container shall not be cause to reject a Product, provided that such damage has no significant impact on the Product.

6. INVOICING AND PAYMENT. In the event the Parties have not entered into an LTA, Incora reserves the right to require payment in advance of shipment at any time, and to limit, change or revoke credit facilities at any time. Unless otherwise specified by Incora, and if credit has been extended, Buyer shall pay all invoiced amounts due to Incora within net thirty (30) days after the date of invoice. Buyer shall communicate all invoice disputes to Supplier within fifteen (15) days from the receipt of invoice. The Parties shall work in good faith to resolve any disputes during such thirty (30) day period. In the event any item is not resolved during such period, all undisputed amounts will be paid by the due date. Any remaining disputes shall be resolved and paid within 15 days of the due date. In the event that any payment is not made when due, Incora reserves the right at its

option to (i) impose interest on delinquent amounts at a rate of 1.5% per month or the maximum rate permitted by law, (ii) change delivery terms, (iii) reduce the payment time, (iv) reduce credit limits, (v) request specific guarantees (including but not limited to bank guarantees), (vi) suspend future shipments or immediately terminate the Order upon written notice to Buyer, (vii) set-off any credit or sum owed by Supplier to Buyer against any undisputed amounts owed by Buyer to Supplier, (viii) recover all costs of collection including without limitation reasonable attorneys' fees, or (ix) combine any of the above rights and remedies under this Agreement and at law. Buyer shall not withhold payment of any amounts due and payable by reason of any set-off of any claim or dispute with Supplier, whether relating to Supplier's breach or otherwise. In the event where a dispute exists between a conforming certification, meeting Buyer's required standards from an approved supplier, and secondary compliance testing results performed by Buyer or their agents, Buyer shall be required to accept the Product on a conditional basis until the disputed conditions are resolved between Buyer and Incora's supplier. Incora shall act on behalf of Buyer to facilitate the resolution but shall not be liable for the disputed value of the Product. Buyer's obligation to pay Incora in full shall not be waived with respect to the disputed value of the Product. All prices shall be expressed in, and payments hereunder shall be made with, United States dollars. Buyer's payments must include remittance details containing at least: Supplier's invoice number, Supplier's packing list number, payment currency, discounted amount, and the amount to apply to such invoice. Payments shall be in accordance with the "Remit to" field on the invoice. Supplier may apply any payment received from Buyer at its discretion against any obligation of Buyer to Supplier and may disregard Buyer's indication on any check or other form of payment.

7. TAXES. Taxes, which are applicable to the sale of Products (sales, tariffs, use or excise tax, value added tax, duties and similar Product-based charges), imposed by any governmental authority are the responsibility of Buyer. If an exemption is available, Buyer shall provide the required exemption document(s) to Incora.

8. PRODUCT WARRANTY.

(a) Warranty applicable for hardware Products ("Hardware Products").

(i) Incora warrants that it is capable of supplying the Hardware Products in accordance with the provisions of the Order. If Incora determines in its reasonable discretion that the returned Product does not comply with such warranty, Incora shall pay the cost of all shipping and insurance of the non-complying Product. All replacement Hardware Products shall be warranted for the remainder of the Warranty Period. If Incora promptly repairs or replaces a non-complying Hardware Product, then Buyer shall have no further claim against Incora based on breach of this warranty with respect to that particular non-complying Product.

(iv) FOR THE AVOIDANCE OF DOUBT, BUYER'S SOLE AND EXCLUSIVE REMEDY PURSUANT TO THIS SECTION 8(a) SHALL BE TO EITHER (I) RETURN FOR CREDIT OR REFUND, OR (II) REQUIRE PROMPT CORRECTION OR REPLACEMENT OF ANY NON-COMPLYING HARDWARE PRODUCTS. Incora will, if so required by the Buyer, use commercially reasonable efforts to require its vendors of Tooling, Chemical Products and electronic Products to warrant that the Tooling, Chemical Products and electronic Products purchased will conform with those certain specifications requested by Buyer. To the extent reasonably possible, Incora will pass such warranties on to Buyer. Incora does not provide any express or implied Incora warranty with respect to Tooling, Chemical Products and electronic Products. Incora will perform in accordance with reasonable and customary industry practices prevailing at the time and at the place where performed. If, during performance, it is determined that there is a substantial and material error in Incora's performance as a result of reasonable and customary industry practices not having been met, Incora shall take such corrective action as may reasonably be necessary within the applicable Order, to substantially remedy the error. Buyer's failure to allow Incora to perform such remedial tasks as Incora may deem appropriate shall relieve Incora of its responsibility with respect to such error. INCORA MAKES NO WARRANTIES FOR TOOLING, CHEMICAL PRODUCTS OR ELECTRONIC PRODUCTS, WHETHER ORAL, WRITTEN, EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, INCLUDING, BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR NON-INFRINGEMENT.

10. EXCUSABLE DELAYS AND FORCE MAJEURE. Except for either Party's obligation to make prompt payment, each Party shall not be liable or responsible to the other Party, and shall not be deemed to have defaulted or breached this Order, for any failure or delay in performing any obligations of this Order when and to the extent such failure or delay is caused by or results from acts or circumstances beyond the reasonable control of the Party and without its fault or negligence, including without limitation: strikes, boycotts, lockouts, labor disputes, embargoes, acts of God or nature, inability or delay in obtaining labor, products or reasonable substitutes thereof, governmental restrictions, governmental regulations, governmental controls including inability to obtain an export license, judicial orders, enemy or hostile governmental action, war or threat of war, civil commotion, terrorism, telecommunication breakdown or power outage, explosion, fire, flood, earthquake, hurricane, tornado or other casualty (each, an "Excusable Delay" or "Force Majeure"), then that Party's performance shall be excused.
