

Composite Materials & Kits

Streamlined Production & Lower Costs

We supply a range of structural and process materials and customizable kits containing all the materials you need for simple to complex part manufacture, including 3D parts.

Our complete supply chain management solution provides operational efficiency and streamlined production, which saves time and valuable resources through reduced material usage, optimized process times, and minimized labor costs.

Multi-product Suppliers

- Solvay
- Airtech

Specialty Suppliers

- Hexcel - Prepreg, Honeycomb
- Tencate (Toray) - Prepreg, Honeycomb
- Precision Fabrics - Breather Fabrics
- ITW - Tacky Tape
- General Sealants - Sealant Tapes
- Henkel - Adhesives
- 3M - Adhesives

Composite Kits

- Process Material Kits
- Structural Material Kits
